NICE PRESENT.

A \$200,000 Check For Mrs. Drexel on Her Birthday.

MRS. JOHN R. DREXEL

Newport, Aug. 19.—Mrs. John R. Drexel's birthday gift from her husband is the latest topic of society in New York and Newport. It was a check for \$200,000.

As Mrs. Drexel's birthday drew near Mr. Drexel searched the shops in vain for a suitable present. The morning of the birthday came and he had made no purchase.

In his dilemma Mr. Drexel drew out his check book. He wrote the name Alice G. Drexel. Then he started the amount with "one." Before completing the amount he paused. Then he tore the check to bits and started another. This time he began the amount with "two" and added "hundred thousand."

Expense To Be Borne by City at Large

Among the ordinances passed by Council Monday evening was one providing for the sale of bonds aggregating \$10,000 to pay the cost of opening and widening certain alleys and

streets. This was done as the result of an opinion handed down recently by the Supreme court to the effect that the expense of opening and widening streets and alleys must be borne by the city at large. Instead of persons living in the neighborhood of the improvement. The opinion was based upon the principle that a city cannot condemn property and purchase it for improvements, and then levy assessments upon it against the former owner. Heretofore, it has been customary to make the citizens immediately benefited by an improvement pay for it. Among the streets to be extended and widened at present are Halstead, Allyn and Hazel.

WEEDS.

City Would Be Rid of Them,

And an Ordinance Has Been Prepared.

Fun and Sarcasm at Expense of the Municipality.

There was considerable talk Monday evening at Council meeting over an ordinance providing that property owners be compelled to cut all noxious weeds that may be growing on their property. Mr. Ormes said this would be unfair on the part of the city, until it had set a good example by cutting its own weeds, which, he said, were growing luxuriantly along some of the streets.

Mr. Wilhelm said the ordinance might be a pretty good thing, if it could—or would—be enforced. "There are a number of city ordinances which are not enforced," he declared, "and this lack of enforcement makes criminals out of the citizens. So long as ordinances are in the book they should be enforced. I will be in favor of this ordinance, if I am given any assurance that it will be more than a farce."

Citizen John L. Shunk, of 204 Chittenden st., stated that there were burdocks along some of the streets in his neighborhood that were as tall as a man, and Councilman Manderbach went him several better by declaring that there are weeds along streets in the northern part of the city nearly five feet tall and covering the ground as thickly as "leaves on a dog."

Councilman Hill was enthusiastic over the ordinance, declaring that the welfare of the city demanded its passage. He endeavored to have a similar ordinance passed last summer. "We might make some of the city prisoners work out fines by cutting weeds. If it is advisable, attach a ball and chain to them. As it is now, we send a number of prisoners to the Canton workhouse, and people there get the benefit of their labor. We might as well get some good out of them."

The ordinance passed first reading, but it was held up when put to a vote to suspend rules and place it on its second reading.

Our Way of Lancing

is not by any means a good one. You may take "free" or "quick" lanch, as ninety out of every hundred busy men of sedentary habits are compelled to do, and you are on the road to having the functions of your digestive organs seriously impaired. Now, then, look for some kind of assistance. It is offered by the "St. Bernard Vegetable Pills," without question the very best medicine for all stomach and liver troubles. Purely vegetable. All druggists sell them.

To My Friends.

It is with joy that I tell what Kodol did for me. I was troubled with my stomach for several months. Once being advised to use Fedol, I did so, and words cannot tell the good it has done for me. A neighbor had dyspepsia so that he had tried almost everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals.

LETTER

Written by Mr. Bryan

Defines His Attitude on Presidential Question.

Lincoln, Neb., Aug. 19.—In answer to a direct question whether he will be a candidate for President in the next campaign, W. J. Bryan has sent the following letter to the editor of the New Orleans Times-Democrat:

"Because of the friendly interest which the Times-Democrat has taken

CLINIC PHARMACEUTICAL CO., TORONTO, ONT. ALL DRUGGISTS, 10 CTS.

in my candidacy in two campaigns I gladly answer your inquiry. I shall not be a candidate for the Presidency in the next campaign, and I may add that I have no choice beyond the desire to see some one nominated who was loyal, not only to the ticket, but the platform in 1896 and 1900, and who, if elected, could be trusted to stand by the people in their struggle against organized wealth.

"While no one can look very far ahead or foresee the contingencies that may arise, I have no plans looking to a renomination at any future time.

"I am deeply interested in the reforms for which I have been contending, and shall continue to advocate them. I am content to do my work as a private citizen, and am sure that I find more pleasure in my present position than I would in the distribution of patronage.

"If I ever again become a candidate for the Presidency it will be because I am convinced that I can in that way give more effective aid to the cause in which I am enlisted for life, and I am not anxious to be convinced.

"I cannot say more without prejudging events. Yours truly,

"W. J. BRYAN."

His Sight Threatened.

"While plinking last month my 11 year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison oil of his hands into his eyes, and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him, and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits.

All Were Saved.

"For years I suffered such untold misery from Bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will convince you it is unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at C. B. Harper & Co.'s.

PAID \$250

For a Copy of Governor's Code.

The Story Is That Newspapers Did This.

(Special Correspondence.)

Columbus, O., Aug. 19.—Governor Nash has concluded to have his code as drawn up at once in the form of a bill. It will be placed in type during this week. This will save the State the expense of having it printed again, when the Legislature meets. A great many requests have been received for a copy of the code and it is probable that at least three thousand copies of the bill will be printed. It seems to be conclusively proved to Governor Nash, that the code got out by the betrayal of his own co-laborers in the making of the code. While much chagrined by the premature publication, he seems to prefer to let the matter rest in doubt rather than to have one of his colleagues convicted of treachery. There is no question that but three copies of the code were in existence, beside the one that the Governor has in his desk. Each of his three coadjutors had one of these. A common rumor about the State House Monday was that the sum of \$250 was paid by the newspapers that got the code, and that this money was paid to the person that had it in charge.

"Stick to It."

Geo. L. Heard, of High Tower, Ga., writes: "Eczema broke out on my baby covering his entire body. Under treatment of our family physician he got worse as he could not sleep for the burning and itching. We used a box of 'Banner Salve' on him and by the time it was gone he was well. The Doctor, seeing it was curing him, said: 'Stick to it for it is doing him more good than anything I have done for him.'"

Look Pleasant, Please.

Photographer C. O. Harlan, of Eaton O., can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All the physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders with him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivalled for diseases of the Stomach, Liver, and Kidneys, they build up and give new life to the whole system. Try them. Only 50c Guaranteed by C. B. Harper & Co., Druggist.

Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, Kodol Dyspepsia Cure will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—"I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of Kodol Dyspepsia Cure. I cannot say too much in its favor."

Prolong Your Life by Taking a Vacation YOU NEED A REST

The human heart, that most wonderful of engines, is scarcely larger than a man's fist. Yet in each twenty-four hours the dual heart moves approximately six tons of blood, equivalent to about two barrels of blood per hour. And this continues without ceasing from the first breath of infancy to the last sigh of age. Is it any wonder that when continued extra strain is put upon so delicate and busy an organ, it should break down? Is it any wonder that in this age of overwork there should be an increasing number of deaths attributed to heart failure?

Dr. Pierce's Golden Medical Discovery cures diseases of the organs of digestion and nutrition and purifies and enriches the blood. One of the ingredients entering into the "Discovery" is one of the best heart tonics known to medicine. Thus while through the action of "Golden Medical Discovery" the body is nourished into strength, the heart is also strengthened and an adequate blood supply is pumped to the stomach and kidneys thus improving the action of these organs.

Sick people, especially those suffering from chronic diseases, are invited to consult Dr. Pierce by letter free, and so obtain without charge, the opinion of a specialist on their ailments. All correspondence strictly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I had been troubled with catarrh of the stomach and heart trouble," writes Mr. W. D. Merchak of Tylerburg, Clinton Co., Penna. "Had suffered for some time without relief, then I began to take Dr. Pierce's Golden Medical Discovery. I took seven bottles, and now I weigh 150 lbs. I am working steadily and feel like a new man. I send you many thanks."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.
